

Support to Health Consumer/Patient Organisations  
Amgen Australia Patient  
2010

Health Consumer/Patient Organisations are important partners for Amgen. We are committed to applying the principles of the Medicines Australia "Working Together Guide" and our global "International Patient Advocacy Toolkit" to ensure relationships between Health Consumer/Patient Organisations and Amgen reflect common values of honesty, integrity, trust, respect, maintenance of independence, equity, transparency and mutual benefit.

In 2010 Amgen has collaborated with and provided support to the following Health Consumer/Patient Organisations:

Name of Health Consumer/Patient Organisations	About Amgen's Support	Financial Support
<b>Osteoporosis Australia</b>	Grant to support local medical conference, GP disease awareness program and the development of education materials including newsletter	\$90,000
<b>Carers Australia</b>	Grant to support services for carers and awareness program	\$75,000
